Returned, with compliments.

The case is a very bad one. It is to avoid such troubles that I advised originally that the work should be carried out through the Benares P.W.Department. In my view the contractors plea that he did the work by mistake cannot be accepted as it seems to be an intentional one just to force Government to sanction the whole scheme. Even at this stage, it is better to stop the work and request the Benares State to depute an Officer to inspect the actual state of work, measure up the work already done and settle the claims of the contractor.

3. Whatever further work the Government desire to be got done may be done by other agency as the present contractor has proved unreliable.

4. If the Benares State has no I.W.D. of their own we may request the United Provinces Government to do this. It is worth incurring some money on establishment rather than be deceived by unscrupulous men.

5. If Government are so disposed, one of our own Asst. Engineers or Sub-Engineers can be sent on deputation for a period of 6 months to get this work completed through other agency.

6. Any one of the above courses may be followed; but I am of opinion that we should have no further dealings with this contractor.

OFFICE OF THE MUZRAI COMMISSIONER IN MYSORE.

Dated, Bangalore, 12 December 1931.

Muzrai Commissioner in Mysore.

To

Rajarevcparayana
P. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of His Highness the Maharaja of Mysore
Education & Local Self Department.

SIR,

In forwarding herewith for the information of Government a copy of letter No.806 dated 25-10-31 received from Mr. A. [illegible] Contractor, who is executing improvements to the Mysore Government Chattram at Penukonda, I have the honor to state as follows:-

2. An estimate for Rs.1500/- was prepared by the Executive Engineer for providing some additions to the existing Chattram. For want of funds to take up the entire work an estimate for Rs.500/- for executing the portion urgently required viz., a kitchen, bathroom, verandah in front and a laterine on the north-west corner as mentioned in Govt. No. 2253-56/Muz.211-30-2 dated 15-1-31 and the cost was ordered to be met from the current year's State and General Muzrai Improvements.

3. In accordance with G.O. No.3560-69/Muz.211-30-1 dated 20-3-31 the work was entrusted to Mr. Ry. A copy of the Government Order sanctioning the sanctioned estimate and the plan were sent to him with the usual instructions to adhere to the sanctioned estimate and to submit measurement bills as work progressed. He was further asked to obtain previous sanction if any deviation from the sanctioned estimate was found necessary. In accordance with the terms of the above communications the Contractor demanded a payment of Rs.400/- when the office was insisting upon him to submit measurement bills before payment could be made in accordance with Government Order No. Muz.211-30-4 dated 30-5-31 and your letter No. [illegible]

Government sanctioned the payment of the advance in their order No. 547-50/Mun.81-31-1 dated 16-10-31, [redacted]. Soon after the payment of the advance in accordance with this Government Order the Contractor has sent a measurement bill for R. ~~240-1-6~~ 2401-1-9 for laying the foundation and basement of the entire additions -- not included in the sanctioned estimate -- leaving a small balance of R. 64-14-3 out of the sanctioned amount for the work. In spite of this office instructions to adhere to the sanctioned estimate he now reports that by mistake he has laid the foundation of the entire plan including that not yet sanctioned. The conduct of the Contractor in widely deviating from the sanctioned estimate in spite of specific instructions and keeping back the information until he was paid the advance he was demanding, thereby committing the Government to an expenditure for which they were not prepared, is ~~most~~ unsatisfactory. The Contractor states that a revised estimate in two parts is under preparation. On receipt of the same, I shall further address the Government in the matter.

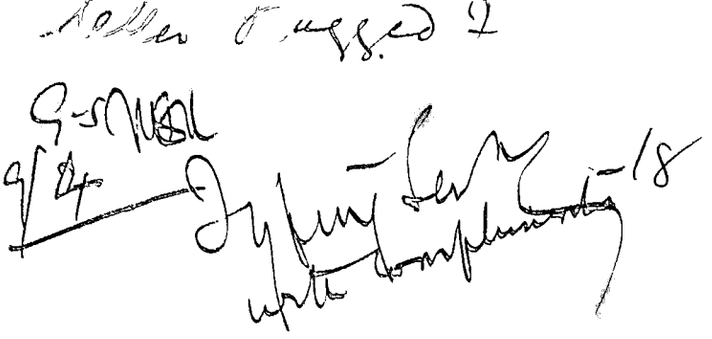
I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

AM/



Letter No.300 dated 28-10-61 from D.N. Ray Engineer ... Tenares, to the Mufrai Commissioner in Mysore.

According to your instruction contained in your letter C.100/ ... dated ...-10-61 I beg to enclose herewith the Bill No.300 ... for Rs.9101-1-1 for work done up to plinth ... Building for favour of your approval.

In submitting this bill, I invite your attention ... mistake occured in laying out the entire plan ... a kitchen, bath, verandahm, and laterine, as I thought ... obtained sanction of the Chief Engineer, ... worth up to Rs 3050/- ... during the financial year.

Now the foundation and the plinth of the whole extension ... and Rs 8401/- is spent out of the total sanctioned ... balance is Rs 600/- which will not cover the cost of the superstructure of a laterine, bath and verandah in the southern block ... northern block, a revised estimate therefore in two parts ... preparation, the first part containing the above ... the second part containing verandah and other rooms ... be done hereafter.

The mistake was detected when the whole foundation ... plete and the brickwork was in progress, and on reference ... found that the measurements given in the estimate ... plan as well as with the existing condition of the building in fact the estimates differ materially with plan.

I enclose herewith the sanctioned ferro copy of the same for your examination and immediate order. I also beg to suggest that the whole building may be undertaken and completed, this year and the half payment of the revised estimated amount may be paid this year and the balance may be paid financial when the bill is submitted.

Sir,

With reference to your letter No. 1062-29/30 dated the 11/12th December 1931, forwarding a report regarding the execution of improvement works at the Mysore Government Chattram at Benares by the contractor, Mr.R.N.Ray, I am directed to state that the contractor was not in order in widely deviating from the sanctioned estimate, and that his plea that he did certain works by mistake cannot be accepted. Government consider that it is better to stop further construction and settle the contractor's claims, after actual ~~inspection~~ measurement of the work already done, if possible, ~~by~~ thro the agency of the P.W.D. of the Maharaja of Benares. Whatever further work is necessary may be decided upon ~~after an inspection of the place by the Mysore Engineer Officer, who may be deputed to Benares for the purpose.~~ with the help of the same agency In the meantime, I am to request you to kindly point out to Mr.Ray his irregular action, with a direction to stop further work and to send up a final bill in settlement of his account.

The matter may be treated as urgent. The connected Secretariat file is sent herewith for your reference and return.

Sir,

I am directed to invite kind reference to this office Memo No.551/Muz dated 16-10-1951 forwarding copy of G.O. No.547-50/Muz.89-31-4 dated 16-10-1951 sanctioning an advance of Rs 2,000/- to Mr.R.K.Ray, Engineer and contractor at Baneres and to state as follows:-

In the G.O. of 10th April 1951 improvements sanction was accorded to certain works costing Rs 5,050/- requiring urgent attention and the sanctioned estimate and plan were sent to Mr.Ray for execution. An advance of Rs 2,000/- was also subsequently granted to him pending submission of detailed bills.

It has now been brought to the notice of Government (vide copies of correspondence between the contractor and the Muzrai Commissioner enclosed for ready reference) that the contractor has widely deviated from the sanctioned estimate and has undertaken unsanctioned works. His plea that he did the works by mistake cannot be accepted. Government have in the circumstances considered it necessary to stop further construction and settle the contractor's claims after actual measurement of the works executed by him. I am accordingly to request that arrangements

may be kindly made for actual measurements being taken and the contractor's bill being checked by the agency of the Baneres State Public Works Department.

Letter No.1656/30-31 dated 29th July 1931 from the Huzrai Commissioner in Mysore to Mr. K. N. Ray, Contractor & Engineer Bellary.

With reference to your letter No.556 dated 21st June 1931 in the matter of sanctioning an advance of Rs.2000/- towards the construction of the Kitchen, bath room verandah etc., I write to state that according to the Government order No.2566-69/Huz.211-30-4 dated 28th May 1931 (copy enclosed for reference) payments have to be made only after bills are submitted by you and to request that measurement bills may be submitted for work actually done on the receipt of which needful arrangements will be made for prompt payment. I desire to add that the estimate will have to be adhered to and that in case any deviation is considered necessary, a clear report is submitted with full details and previous sanction obtained.

Letter No.1656 of 30-31 dated 30th July 1931 from the Muzrai Commissioner in Mysore to Mr. R.N. Ray, Contractor Benares.

With reference to your telegram dated 27th July 1931 requesting an advance of Rs.2000/- and your confirmatory letter of 26th July I write to state that previous sanction of Government is necessary for making any advance. No special reasons have been advanced for making such a recommendation to Government. Since you have stated that substantial progress has been made in the work, it is suggested that measurement bills for the progress so far made, may be forwarded immediately. Arrangements will be made to meet the bills promptly.

SIR,

In continuation of this office letter No.1065 of 29-30 --- dated 26th October 1932 and this office Unofficial reply No.157/31-32 dated 4th January 1933 re the completion of the rear block of the chattram at Benares, I have the honour to state that the --- contractor Mr. Ray who was entrusted with the execution of the work in accordance with the estimate for Rs.3050/- sanctioned in G.O.No.2253-56/Muz.211-30-2 dated 15th April 1931 instead of ----- confining himself to the sanctioned items, laid the foundation and basement for the whole of the rear block which was estimated to cost Rs.13830 by the Chief Engineer, but had not been sanctioned by Government. As already stated by me the utility of the chattram which has been constructed at enormous cost has been much discounted for want of the rear block and visitors to Benares have represented -- the necessity for the addition of the rear block. I beg to request that sanction may kindly be accorded to complete the rear block, the extra sum or about Rs.8930/- required to complete the work -- excluding the steps, being met from the closing balance of the --- Chattram Savings Fund.

2. The question of repairing the flight of steps leading to the river for which a sum of Rs.2500/- is provided in the estimate may be reserved for future consideration.

3. The exact amount required in addition to what has already

already been sanctioned will be definitely known after the final bill for works already done, is received from the contractor who has been asked to stop work and submit a final bill. The agency to which the further execution of the works has to be entrusted may -- perhaps be settled in consultation with the Private Secretary to His Highness the Maharaja of Benares.

4. The two estimates and the plan are enclosed for reference.

Dear sir,

I am really so sorry that I could not send an earlier reply to your letter No. 1438 dated 8/11th April, 1932.

9/17/4

You have asked me to get the works referred to in your letter under reply being checked by State P.W.D. I regret very much to say that truly speaking there is no qualified man in our P.W.D. at present, who can do the work. If you approve, I can get the works checked by some retired qualified Engineer. But in that case you may have to pay him his fees.

The best thing will be in my opinion to send one of your own Engineers to Benares to check the works.

With renewed regrets,

I am,

SIR,

In continuation of this office letter No.C.1062/29-30 dated 28th March '33 re: the completion of the rear block of the Chattram at Benares, I have the honor to forward herewith copy of letter No.106 dated 5th April 1933 from Mr. Ray, Engineer and Contractor, requesting that his account may be settled without further delay and to request you to be so good as to intimate whether any reply from the Private Secretary to His Highness the Maharaja of Benares has since been received with reference to your letter dated 11th April 1932 and subsequent reminder of the 12th October 1932 and if so, whether the claim of Mr. Ray for payment of a sum of R 2755-9-9 exclusive of the advance of R 2000/- already paid is admissible. If no reply has yet been received, I beg to suggest that the Private Secretary to His Highness the Maharaja of Benares may again be reminded for an early reply in view of the pressing demands that are being made by Mr. Ray and of the urgency of the further work to be executed.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.106 dated 5-4-33 from R. N. Ray, Esq., Engineer and Contractor Benares, to the Muzrai Commissioner in Mysore.

I am surprised to peruse your letter Ref.1062/29-30 dated 25/28th March 1933 and in reply I am to inform you that according to your letter I submitted my bill Nos. 256M dated 29-10-32 and 257M dated 1-11-32 respectively to you through Rai Bahadur Lalit Behari Sen Roy, Private Secretary to H.H. the Maharaja of Benares for check and payment and I informed you about it on 22-11-32 as per my letter No.444 and subsequent reminders. The copies of the above bills and letters are enclosed herewith for your early action.

It is nearly six months that the bills are lying with Rai Bahadur and possibly he could not take any action owing to want of time.

You will therefore please see that there is no fault of mine so far as my payment is concerned. I however now request you that my account may without further delay be settled.
